Transfer Credit Assessment

As indicated in Box 28 on the Letter of Acceptance Form Document (Page 2) of your offer package, you may be eligible for transfer credit from your previous educational institution. In order to provide a formal transfer credit assessment, we need an official transcript to be sent to Algoma University.

What is considered an official transcript?

An official transcript is defined as a transcript that is sent directly by the issuing institution or education authority using the sending institution's security features (e.g., secure paper, institutional seal, secure digital encryption, etc.) and has not been handled by the student in any way.

Why do we need an official transcript?

Official transcripts may be requested for a variety of reasons, including but not limited to confirmation of a student's unconditional admission, transfer credit evaluations, scholarship assessment, or cases of suspected fraudulent documents.

Do I need to send any other documents?

In some cases, the Office of the Registrar may request detailed course syllabi/course outlines in order to confirm the learning outcomes of certain courses. It is recommended that you request these from your previous institution only when we request them.

If they have been received, please email them to intl-admissions@algonau.ca. In your subject line please include **your full name, student number and the line "Course Outlines for Transfer Credit Assessment"**.

Where do I send my official transcripts?

Please only mail hard copy official transcripts if they are requested. If hard copies have been requested, please mail to:

ATTENTION Shelley Mitchell - Transfer Credit Assessment
